Dear Minister

Re: Prince Henry Community Association

I have recently met with representatives of the Prince Henry Community Association. This association act as a central group for the residents of the Prince Henry at Little Bay master planned community.

The Prince Henry Community Association seek a meeting with you to discuss their current zoning as 'adequately served' within the National Broadband Network and the possibility of the Prince Henry area joining the NBN.

The group recently wrote to your office asking this meeting, for your reference I have attached a copy of the request and background notes on the Prince Henry area.

I respectfully request that you consider the Prince Henry Community Associations request for NBN to be rolled out in their community and that you make appropriate representation to NBN Co.

If you require further information regarding this matter please contact my office on (02) 9349 6007.

Yours Sincerely

Hon. Matt Thistlethwaite MP
